

New Horizon Security Named to Inc. Magazine's Top 5000 for Fourth Consecutive Year

A 250 percent growth rate earns New Horizon Security a rank of 1686 overall and fourth among companies specializing in security officers.

Manassas, VA ([PRWEB](#)) August 29, 2014 -- New Horizon Security Services, Inc., a privately owned security services firm headquartered in Manassas, VA, specializing in armed and unarmed security officers in the Mid-Atlantic region, announced that for the fourth year in a row, it has placed on the exclusive Inc. Magazine 500|5000 list of the nation's fastest-growing private companies.

New Horizon Security's three-year sales growth of 250 percent earned a [rank of 1686 and a fourth consecutive appearance](#) on the prestigious list, a feat just over eight percent of the 5000 companies on the list have done. "Not many companies have the stamina to be listed four times in a row," said John "J.J." Frazer, President of New Horizon Security. "This is a testament to the concerted efforts of our security professionals who have worked tirelessly to excel in a very competitive industry."

"Only a tiny fraction of the nation's companies have demonstrated such remarkably consistent high growth, particularly in the difficult economic environment of the past few years," said Eric Schurenborg, Editor-in-Chief, Inc. Magazine, "This achievement truly puts New Horizon Security in rarefied company."

New Horizon Security attributes its strong growth to a strategic and intense focus on hiring the best, delivering exceptional service, investing in technology and training, and forging strong customer relationships.

"Many security companies have reduced services to cut costs and increase profits in a stalled economy," continued Frazer. "We've taken the opposite approach. We developed technology--such as OfficerTrax™, our real-time reporting and GPS tracking tool--to add transparency and precision to our services. We've also expanded our focus on customer service, and increased training well above the industry standard, which enables us to deliver greater value to our customers."
