

New Horizon Security Selected to Provide Professional Security Services at the Village at Leesburg

New Horizon Security has been chosen to deliver around-the-clock security at the 1.2 million square foot grocery-anchored, mixed-use lifestyle center situated on Route 7 in Loudoun County, Virginia – the wealthiest county in the nation.

Manassas, VA ([PRWEB](#)) June 30, 2014 -- [New Horizon Security Services](#), Inc., a privately owned security services firm headquartered in Manassas, VA, specializing in armed and unarmed security officers in the Mid-Atlantic region, has been chosen to provide professional security services at the Village at Leesburg, a vibrant up-scale, mixed-use town center with over 45 shops and restaurants plus residential and office space. Village at Leesburg is managed by the Rappaport Companies.

“I am pleased to continue our long-standing support to the Rappaport Companies,” New Horizon Security President John “J.J.” Frazer said. “Rappaport values security to create a safe and welcoming environment for their tenants, and their customers and employees.”

Under the contract, New Horizon Security is providing 24-hour unarmed security coverage across the expansive complex to include routine patrols, assisting patrons and tenants, performing crowd and parking control during special events, and deter and respond to potential disruptive or criminal behavior. “New Horizon Security’s proven track record and their focus on customer service makes them an ideal partner at the Village of Leesburg,” Darin Tallant, Property Manager said.

New Horizon Security Officers are using a proprietary mobile app, OfficerTrax™, to expedite communication, response time and enhance client interaction through real-time reporting, patrol monitoring and GPS tracking. “We are always looking for ways to better serve our clients,” Frazer said. “At the Village at Leesburg, we conducted a comprehensive security assessment of the site’s environmental risks and then designed a security program to mitigate those risks.”
